## **SOCIETY TOP VASE COMPETITION RULES**

1. The Society Top Vase class is for a vase of mixed flowering stems containing a total of between five and 10 stems, taken from a minimum of two different kinds of plants.  
Please note that it is two different KINDS of plants; two varieties of the same plant are NOT two kinds.
2. The display will be judged out of a total of 35 points, split into: 25 points for the colour, form, condition, quality and freshness of the flowers on display, and 10 marks for the overall presentation and effect of the flowers in the vase. The vase will be viewed from all directions. Judging of the flowers should be to normal rules used for other classes.
3. Stems used in the display must be showing flowers only; no seed heads or berries will be allowed.
4. The vase can be any shape and size and made from any material, but must be in proportion to the display. No marks are awarded for the vase itself.
5. No accessories whatsoever - such as bows and additional foliage - will be allowed. Foliage which is growing naturally from the flowering stem, and still attached to that stem, is allowed. Packing material - including floral foam - to keep the stems in place is allowed.
6. The awards for the Society Top Vase Class are as follows:-  
First Prize: £3.  
Second Prize: £2.  
Third Prize: £1.

### **NOTES FOR TOP VASE EXHIBITORS AND JUDGES**

- Flowering stems can be taken from ANY flowering plant.
- The different kinds of plants need to be taken from different genera. For instance, pinks, carnations and sweet william - which are all dianthus - would not be classed as different kinds.
- Only fresh, home-grown flowers can be used in the vase. No dried or silk flowers are allowed.
- A vase, by definition, is any vessel that can be used to hold cut flowers and which is taller than it is wide at its widest point.
- The Society Top Vase class is open for anyone to enter and is not intended purely for growers who regularly display single species classes at shows.
- Judges should use their discretion when judging the Top Vase class, bearing in mind that the entries may come from inexperienced exhibitors.
- Judges and exhibitors should note that the display has to be viewed all round.
- The points awarded should be clearly marked by the judges on the exhibitors' cards.
- Any queries that may arise, regarding anything other than the above rules should be referred to, and decided by, the show officials.
- Failure to abide by any of these rules will lead to disqualification.

# **SOCIETY TOP TRAY COMPETITION RULES**

1. The Society Top Tray class is for a collection of three types of vegetables from the following list of eight. The quantity of each vegetable required for the collection is given in brackets: carrots (3), cauliflowers (2), onions (3), parsnips (3), peas (6 pods), potatoes (3), runner beans (6 pods), tomatoes (6).  
Each type of vegetable will be judged out of a total of 20 points. This is split into three sections as follows: Seven points for size, shape and colour; seven points for condition; six points for uniformity. The overall mark will therefore be out of a total of 60
2. All vegetables are to be displayed for effect. The vegetables must be displayed within an area measuring 18in by 24in (45cm x 60cm), without bending any part of them. No part of any exhibit may exceed the size of the tray.  
A tray or board measuring 18in by 24in (45cm x 60cm) can be used to display the vegetables, or the area can simply be marked on the staging. Where a tray has a lip or edge, it is the internal measurements that must not exceed 18in by 24in (45cm x 60cm).
3. A black cloth is permitted and the tray may be painted. Parsley is allowed for garnishing, and rings etc. for onions, but no other foliage or accessories, such as plates, sand, etc, will be allowed. Onion tops may be tied or whipped using raffia or string.
4. Awards for the Society Top Vase Class are as follows:-

First Prize:	£3.
Second Prize:	£2.
Third Prize:	£1.

## **NOTES FOR TOP TRAY EXHIBITORS AND JUDGES**

- Carrots and parsnips must have foliage trimmed back to 3in (7.5cm).
- Peas and beans must be displayed with some stalk attached.
- Tomatoes must be displayed with calyces (green flower bud case).
- Judges may handle exhibits, open pods etc. to check for quality.
- The tray, board or staging must not be cut or mutilated in any way at all - such as cutting holes for standing onions in.
- Judges should use their discretion when judging the Top Tray class, remembering that entries may come from inexperienced exhibitors.
- The points awarded should be clearly marked by the judges on the exhibitors' cards.
- Any queries that may arise, regarding anything other than the above rules, should be referred to, and decided by, the show officials.
- Failure to abide by any of these rules will lead to disqualification.

## HELPFUL HINTS ON SHOWING VEGETABLES FOR BEGINNERS

Points will be awarded for freshness, uniformity and condition.

**ONIONS:** Lift approximately one week before the show. Trim off roots and remove any split skins. Select three of uniform shape and size. Wash clean with a sponge and trim shaws to approximately one inch. Carefully dry and sprinkle with unscented talcum powder to dry any moisture. Keep in a cool airy position. To stage remove all the talcum powder, tie tops tightly with raffia and place in small rings, two to the rear and one in front.

**POTATOES:** Clean in water immediately after lifting. Select four tubers of approximately 6oz (170gms) and uniform in shape and size. Take care not to damage skins when cleaning. Wrap each tuber in white kitchen paper towels to exclude all light. To stage them, remove from towels and place on a paper plate.

**TURNIPS AND CARROTS:** Trim shaws to approximately three inches from top. Leave roots intact. Wash thoroughly and wrap individually in white paper towels. To stage, remove from paper towels and place on show table.

**LEEKS:** Water thoroughly before lifting with garden fork. Wash carefully and make sure roots are clean. Do not trim roots or foliage. Stage on show table.

### **Membership:**

Membership costs £2.50 a year. This entitles you to enter as many classes in the show as you wish (only one entry per class). There are other benefits of being a member – discounted seeds from Dobies, talks, demonstrations and outings and meeting like-minded people to share knowledge, hints and tips.

### **How to get a membership:**

Contact our Secretary on 01475 689423 who will arrange your membership giving you the information need to enter the show.

### **Exhibiting in the Show:**

Staging of exhibits is from 12noon to 6pm on **FRIDAY 19<sup>th</sup> August.**

Check our schedule for the class you wish to enter and select your entry.

Complete the entry form with your details, membership number and note the class number or numbers you are entering.

Bring your entry/entries plus your entry form and card along to the hall.

On arrival a steward will register your entry form and help you stage your entry, providing entry cards for completion for each entry. The cards go to the side of your entry face down on the bench with your entry (so that your name is not visible). Your entry is now ready judging.

Come to the Show on Saturday to see how well you have done!

Our visitors love to see what can be grown, crafted, baked or arranged in Largs and the surrounding area. Join the fun and have a go!
